# Academic Career Pathways

Assessment Criteria  
**2021-2022**

# Assessment Criteria

This section sets out the promotion and progression criteria for the ACP processes, which apply to all academic staff. The **Assessment Criteria** for each academic office are given below together with generic **Indicators of Excellence**.

Each application will be considered and assessed on its own merit against the **Assessment Criteria** for the level in question, taking into equal account evidence of both inputs and outputs.

The generic **Indicators of Excellence** as well as the respective School/Institution-specific **Indicators of Excellence** provide examples of evidence of fulfilment of these criteria. All examples are suggestive in nature and non-exhaustive, and not all the indicators will be relevant to all applicants.

Applicants should refer to the **Committees** section (in particular **Overarching Considerations**) in this **Guide** for more guidance on the approach that Committees are expected to take in evaluating evidence.

The **General Board** has the discretion to make changes to the weighting, thresholds, score range, or any other element of the scoring methodology that it deems necessary.

## School/Institution-specific Guidance and Indicators of Excellence

Each School/Institution is expected to adopt and publish its own specific guidance on expectations for promotion and progression and exemplar **Indicators of Excellence**; these indicators are in addition to the more generic **Indicators of Excellence** set out in this Guide. The School/Institution-specific guidance will state the expectations with regard to the balance between teaching and/or researcher development for progression or promotion.

To ensure parity of standards and expectations, the School Guidance must be approved by the respective School Councils prior to adoption. Each School will be expected to review their guidance annually and update it, as necessary, to ensure it remains relevant and fit for purpose. Schools may find it helpful to refer to the minutes of previous ACP (or Senior Academic Promotions) rounds for examples of **Indicators of Excellence** for their disciplines.

**Please see the School/Institution-specific information for further details <insert link>.**
